

CLAIMS

I claim:

1 *Sub B* 1. A method of ameliorating a symptom of rheumatoid arthritis in a patient  
2 suffering from rheumatoid arthritis, comprising parenterally administering to said patient an  
3 effective symptom ameliorating amount of Product R in a range from about 2.5 *micro liters* ~~micro liter~~ to  
4 about 40 microliters per kilogram of body weight per day in a pharmaceutically acceptable  
5 formulation.

1 2. The method of claim 1 wherein said Product R is administered in a range  
2 from about 5 microliters to about 25 microliters per kilogram of body weight per day.

1 3. The method of claim 1 wherein said Product R is administered in  
2 amount of about 7.5 microliters per kilogram of body weight per day.

1 *4.* A method of ameliorating a symptom of rheumatoid arthritis in a  
2 patient suffering from rheumatoid arthritis, comprising the steps of:

3 a. parenterally administering Product R to said patient an effective symptom  
4 ameliorating amount of about 1 ml twice per day in a pharmaceutically  
5 acceptable formulation for about 15 days; and

6 *parenterally*  
7 ~~Parenterally~~ administering Product R to said patient an effective symptom  
8 ameliorating amount of about 1 ml once per day in a pharmaceutically  
acceptable formulation for about 75 days after step a.
